Luke has a pretty wide vocab now including the requisite car, truck, bus, a-pear (aeroplane), bob (the builder), wiggle(s). He can string a a couple of words together as in 'that way', 'bear wet' or 'I'm poo'.

The other day we were getting ready to go out and Lukey started gooing shoos shoos. I went to his bedroom to get his shoes, only to run into him on the way back bringing my shoes to me!
